

PERFORMANCE LICENCE FEE APPLICATION FORM

for shows by Sara Ridgley and Gavin Mole

Please note: following the takeover of International Music Publications by Faber Music in 2005, this is the new licence form you need to use (just ignore the one printed in the book!)

If you decide to stage one of Sara and Gavin's shows, you require a Performance Licence to cover royalties due to the composers and publishers of the work and to protect you and your school from any possible infringement of performing rights.

Blanket performance licences issued by the PRS or any other establishments *DO NOT* cover this work.

The average licence fee per musical ranges from £30 for the first performance and from £15 for every subsequent performance. The average licence fee for an individual song ranges from £10. All prices are excluding VAT. You will be invoiced based on the information you give on this form.
